Governor's Letter

Dear Friend,

Voting is our sacred right and duty as Americans. Many who came before us fought and died so that we could have a say over who would lead our communities our state and our nation.

New Jersey takes great pride in the integrity of our state's election process. With that in mind, the Division of Elections has put together this Chronological Elections Guide to keep you informed of important dates and deadlines in New Jersey's elections.

If you're new to voting, this will be an indispensable resource as you exercise your right as an American Citizen for the first time. If you've voted before, this guide will be a helpful refresher of important information about the voting process. You may even learn something that you didn't know before.

If you're not registered to vote please do so, it's quick and easy, and this guide can show you how. Once you're registered be sure to make time to vote. The short amount of time that it takes is your chance to make a difference.

Sincerely,
Governor Jon S. Corzine

Attorney General's Letter

Dear Reader:

Voting is not only an important right, it is a civic responsibility. By voting, we have a voice in choosing our elected leaders at the local, county, state and federal levels, and in determining who will make the laws and policies that govern our society. As Attorney General, I am committed to working collaboratively with Governor Corzine, the Division of Elections, and election officials at every level to ensure that the election process in New Jersey is as inclusive and accessible as possible. It is in that spirit that this updated, 2006 Chronological Elections Guide is offered.

The Chronological Elections Guide sets forth the important deadlines for major elections held in New Jersey each year. These elections include the annual school board elections held in April, the municipal elections held in certain non-partisan municipalities in May, the Primary Elections held in June, and the General Election held in November.

In addition to a schedule of key election dates, the Chronological Elections Guide contains an outline of the specific duties of New Jersey's various election officials, and includes informative sections regarding the school board and non-partisan municipal elections. Available on-line in both English and Spanish language versions by visiting www.NJElections.org, the Guide also includes legislative district maps. (The Division of Elections has also developed a separate addendum to the 2006 Chronological Elections Guide that provides expanded information on school board elections).

I hope the information contained in the 2006 Chronological Elections Guide is useful to all New Jerseyans in learning more about the elections process, and encouraging all to exercise their right to vote.

Zulima V. Farber
Attorney General

Director's Letter

Dear Voters and Friends:

The Help America Vote Act (HAVA) of 2002 has brought much change in voting and elections administration to New Jersey. With so many recent major elections, the State of New Jersey in collaboration with the membership of the New Jersey Association of Elections Officials; the Constitutional Officers Association of New Jersey - County Clerk/Register Section; and the Municipal Clerks' Association of New Jersey have implemented many measures to improve the electoral process for voters.

In addition, our elections officials are working hard to educate voters regarding the electoral process and they are committed to making voting in New Jersey accessible to all citizens. To this end, New Jersey offers the 2006 Chronological Elections Guide to provide a clear and comprehensive source of information concerning elections for each level of public elected office.

The enhanced guide is a product of a cooperative effort between the New Jersey Division of Elections, the Department of Law and Public Safety - Election Law Section and a diverse group of election officials and voting advocates throughout the state, who are striving to ensure that voting concerns are addressed and the public is well informed.

I believe, collectively, that we have produced one of the most practical elections guide for the State of New Jersey. I hope you find this Guide informative and helpful.

The right to vote is an important civil right, as well as, a civic responsibility. For further information about voting and elections, please visit our website at www.njelections.org.

The district board workers must first fill out a disability certificate for you before you go into the voting machine.

Challenge Process

If your right to vote is challenged, the board workers may ask you for identification and you must sign an affidavit.

The challenger must also sign an affidavit.

If the board workers vote to reject the challenge or there is a tie vote on the challenge, you have the right to vote in the voting machine.

If the board votes to uphold the challenge, you may not vote but you have the right to go to a Superior Court Judge to get a court order to vote. The board workers must tell you where to go to see the Judge.

- 5. Give the envelope to the board worker.
- 6. Watch the board worker put the envelope in the orange provisional ballot nylon bag.
- 7. You may put your ballot in the orange bag yourself, if you want to instead of the board worker.

After the election, you can call **1-877-NJ-VOTER** (1-877-658-6837) to find out if your ballot was counted. If your ballot was not counted, you can find out why it was rejected.
